# **OVERVIEW OF THE ORGANIZATION**

SHOEMAKERS SINCE 1975 : was in the year 1975, with a production capacity of 1500 pairs per day, Paragon made its humble entry into its home market in Kerala. In the year 1982, after gaining popularity, Paragon began its passage into other Indian states. The company's distribution network is through 17 depots across India. Retail shops are serviced by more than 500+ distributors, delivering stocks to every corner of the country in the shortest possible time.

The company strongly believes that its greatest strength is its staff and distributors. Catering to millions with the promise of long-lasting footwear, Paragon today is India's Trusted Footwear Brand in the country. Today, Paragon's total production capacity (in-house) is 400,000 pairs a day. Apart from in-house production, the company out sources production of footwear in Calicut, Delhi and other places. The cumulative production is thus about 14,00,00,000 pairs each year. Paragon's state-of-the-art ISO 9001:2015 certified factories incorporating the latest in footwear technology are located at:

Paragon has advanced laboratories, attached to each of its factories to test raw materials, semi-finished and finished products. All products are tested at every stage of production, with this rigorous quality control, it has built a trustworthy reputation amongst its customers. Its procedures in manufacturing a suitable blend of synthetic and selected natural rubber products have made it the most durable rubber footwear to fit the Indian Market.

With Paragon assuring durability, availability and quality, the brand has created a wide base of satisfied customers. Not only is the rubber footwear produced by the company bio-degradable, but also the packing material used is made of recycled paper in order to make it more environment-friendly. The PVC, EVA & PU soles are all virgin polymers produced in-house to reduce health hazards.

## Part 4: Content Creation and Curation (Post creations, Designs/Video Editing, Ad Campaigns over Social Media and Email Ideation and Creation)

### Social Media Ad Campaigns

#### Ad Campaigns over Social Media:

**INSTAGRAM AD CAMPAIGN** :Instagram ads are posts that promote a business's products or services. The posts can appear in multiple ways, such as an Instagram feed, stories, or both. They can include images or video along with copy and a link to the web page of the company's choice.

## Instagram Social Media Campaign

**BRAND AWARENESS** : Post content that is consistent with your brand personality. The key to increasing your brand awareness via Instagram is consistency. The content you post must be consistent with your overall brand personality. Post images and videos that are in line with the goals of your brand

### **Goal**

To drive awareness of the extension of the brand. The goal of their Instagram campaign was based on boosting awareness and sales of their tropical flavored 'Summer Edition' energy drink for the Australian market.

## Facebook Social Media Campaign

Facebook networks and celebrated its sponsorship and commitment to Liverpool FC. As part of the campaign, the brand shared a video message from Liverpool manager Jürgen Klopp, to influencers and Liverpool fans.

### **Key takeaway**

Facebook networks can be a very powerful way to engage a captive audience. By sponsoring Liverpool, Carlsberg improved its brand awareness and drove significant traffic to its website. This type of collaboration can be very effective in keeping a brand front of mind long after the campaign ends.

**BRAND AWARENESS** : Build awareness of your brand and business through ads on Facebook and Instagram today. The awareness objective can help people remember seeing your ads. Try it on your ad. Target The Right Audience. Build Brand Awareness. Promote your App.

**BRAND AWARENESS OF TWITTER** : March 2022, about 23% of U.S. social media users had heard about Twitter in the media, on social media, or in advertising over the past four weeks. Of the 86% who know the brand, that's 27%, meaning at the time of the survey there's some buzz around Twitter in the United States

## **Part 4: Content Creation and Curation (Post creations, Designs/Video Editing, Ad Campaigns over Social Media and Email Ideation and Creation)**

**For every campaign clearly define:**

- **Advertising Goals:**

- Brand awareness:**

- Put simply, brand awareness is the measure of how memorable and recognizable a brand is to its target audience. Establishing brand awareness is a powerful marketing strategy that leads consumers to develop an instinctive preference towards a brand and its products.

- Driving website traffic :**

- Optimize your Images. ...
    - Perform a regular SEO audit. ...
    - Test it frequently. ...
    - Upgrade your server.

**Generating leads:** Lead generation for our clients includes collecting information through: Landing pages with online forms. Special offers with a specific call to action.

**Audience targeting:**

[https://youtu.be/Yi\\_2e1HDjwU](https://youtu.be/Yi_2e1HDjwU)

The common types of target markets are – geographic segmentation (location-based), demographic segmentation (population-based), psychographic segmentation (lifestyle and socio-economic-based), and behavioral segmentation.

## **Part 4: Content Creation and Curation (Post creations, Designs/Video Editing, Ad Campaigns over Social Media and Email Ideation and Creation)**

- Reflect on the content creation and curation process, discussing the challenges faced and lessons learned.

**Content creation and curation** : shared content can be categorized into two main categories: curated, which is content gathered from trusted sources relevant to your industry and created, which is content product within your organization.

**Challenges and lessons learned** : first of all, I would like to thank smartbridge for giving me the first project. I played a vital role in making this project. Also learned every aspect of digital marketing in 3 months internship. During this project, I faced many challenges. At first I did not understand what to do on that topic. Then our mentor give us a suggestion. Through this project the aspects of day to operation of a company were learned. In the end, our entire team learned lesson and successfully completed our project.
